Lessons included:

- Indestructible Life- by Paolo Ugolini, of the Montgomery County Church of Christ, inspiring us to invest in an indestructible life through Christ
- Indestructible Relationships - by Darin Ford, of the Annapolis Regional Church, instructing us on how to build indestructible relationships
- Indestructible Conviction - by Scott Davis, of the Greater Baltimore Church of Christ, challenging us to be men who believe and at our core love and live like Jesus.

We also shared in some amazing food and some great competition that day in our first Annual Maryland Men's Cup. Congratulations to the Montgomery County Church who took home the Cup this year. This new tradition is an Olympic style event consisting of a series of timed events that contribute to an overall time for each church participating. Events included:
